The Home Depot

\$12+/hr. to start

**We can help.
It is our business
to help you find
your first, your
next, and your
best job!**

The Workforce Policy Board of Columbus and Franklin County in conjunction with **The Home Depot are looking for qualified individuals for a Full-Time Paid Training opportunity.**

What Will I Do?

Trainees will serve as advisors to commercial vendors and the public on “how to” projects in one of six areas. Areas include plumbing, electrical, millwork, flooring, kitchen/bath, and appliances.

What Makes a Good Candidate?

You are energetic, dedicated, want to learn more about the home remodeling business — and you have some construction background — mechanical aptitude — and/or coursework in mechanical engineering or AutoCad.

Who is Eligible to Apply?

If you are unemployed or dislocated (laid-off) from your last employer through no fault of your own, you are eligible for this program with appropriate documentation. If you are currently employed. you are eligible if you meet the following income guidelines:

Unmarried Individuals (family size of 1) who have not earned at least \$13,470 (\$12.95/hr. on a full-time basis) in the six months prior to WIA sign-up.

All Others (family size of 2 or more) are determined eligible for services based upon the family income chart outlined below:

<u>Family size</u>	<u>Last Six Months of Family Income Less Than</u>
2	\$12,120 last six months
3	\$15,260 last six months
4	\$18,400 last six months
5	\$21,540 last six months
6	\$24,680 last six months

What is Required?

- **Must be 18 years of age.**
- **Must meet eligibility requirements for the Columbus and Franklin County Workforce Investment Act (WIA) program.**
- **Must register for the WIA program at one of the five Columbus area JobSight offices. Then, must complete an 18-page online employment application for The Home Depot, Inc. at the South or West WIA computer lab.**

***Interested individuals may call
(614) 462-4104
to locate the nearest JobSight office.***
